

## **Appeal Cercle Perron I vs. U.A.E. I**

RBBF Honour Division – Round 19 (26/11/2016)

### **Facts**

See the ruling made by the TD (Martijn Verstraelen) concerning board 13.

### **Committee 26/11/2016**

Chairman: Claude Renard

Members: Paul Meerbergen, Steve De Roos.

### **Parties**

Valérie Labaere, Alain Labaere (U.A.E. I) & Patrick Leboulenge, Axel Dupont (Perron I)

### **Hearing**

Both parties are heard.

Appeal by Perron: they do not agree that the TD changed the result to 4♠ +2 for NS.

The TD is called and he explains his method of consulting other players.

### **Deliberations and ruling**

The committee believes that “Pass” is a reasonable alternative, amongst others. Because there are also other alternatives, that are more advantageous to NS, they can not choose one amongst all alternatives if it could have been suggested by the pause for thought.

The committee decides to uphold the decision by the TD.

The deposit is returned.
