

Warning BCOB 2

Round 3 (06/10/18)

For the 3rd match of the day, a player of BCOB 2 arrived 1 minute and 30 seconds to late (living in Brussels, he returned home between the 1st and the 3rd match).

According to Section 53.03(f) of the National Teams Regulations the standard penalty for this is 1VP.

However, as the clock on the wand in l'Orée is running 3 minutes late, only a warning was given.

It was made clear to the captain of the team and the player involved, that this was an exceptional measure and that the next time there would be a zero tolerance.
