### **Remarks from team A (BBC 1)**

After the multi 2♦, South redoubled which was explained as bid your major. However, on the other side North explained it as willing to play 2♦!!

### **Remarks from team B (U.A.E. 1)**

Same. We feel might be damaged, but don't know where and how.

### **Analysis**

NS are cold for 4♠, which they bid at some point. EW took the save in 5♣, but west "corrected" to 5♥. NS didn't double, the contract went (only) two down.

### **Decision**

NS have no proof of their systemic agreements. In the printed system notes from north, nothing was written, neither in the phone of south; she claims she has something written in her notes at home. That is not sufficient enough proof.

Wrong explanation at (at least) one side of the screen. No direct damage, score stands.
