Description:

Review "What I adore about Bertha is how free she helps me feel. I read her words of wisdom and I grin, then I look out at the world with more spunk, hope and a hell yes I can! attitude. Let Bertha do the same for you. I promise, you'll thank me."

Jennifer Loudon, best-selling author, The Woman's Comfort Book and The Life Organizer --This text refers to an alternate edition.

From the Author Writing *Bertha-Size Your Life!* was one of the most delightful things I have ever done. Originally, I was going to write a somewhat typical book incorporating Law of Attraction

principles for women experiencing empty nest but Bertha had other ideas...she wanted a book of her own...and that's exactly what she got!

Bertha is one of those characters who get in your head and your heart. From zany outfits to downhome advice--she has it all.

I'm currently working on a sequel...and there has never been any doubt as to whose book it it will be. --This text refers to an alternate edition.
