Description:

From Publishers Weekly Mary Elizabeth's summer job at the health club of a ritzy hotel would be just about perfect except for a series of eerie incidents that occur when she is alone by the pool at night. Convinced they are related to a series of robberies plaguing the hotel and its guests, she tries to figure out the link a mission of increasing urgency once she discovers a corpse in the pool. By the end of the story, Mary Elizabeth has exposed a circle of thieves headed by her own boss, a group said to have links to organized crime. This is a moderately suspenseful mystery, rounded out with

touches of humor and romance, but not one of Nixon's best. There are too many glitches in the complicated plot for it to be fully convincing. The protagonist's foolhardy ingenuousness strains credibility: she discusses events related to the case freely, even after it seems likely an insider is involved. The relationship between the thefts and the syndicate is never really clear, and the revelation that drug deals are somehow involved which would justify the otherwise inexplicable violence is tacked-on, vague and ultimately unpersuasive. Ages 12-up.

From the Publisher Liz enjoys her summer pool job at the glamorous Ridley Hotel. Until the night, a dark and lonely night, a ghastly shadow surges up from the pool. A face -- eyes wide, mouth gaping -- stares at Liz. A hand clutches at her sneaker. Then it, whatever it is, is gone.

But danger isn't. Strange things are happening at the hotel, and a shaken Liz wants to know why. But whoever is behind the trouble will stop at nothing -- even murder -- to get what he wants...
